

Trento, February 7<sup>th</sup> 2013.

Prot. 137/gdfb

Dear Trentino Club of **Tuzla**,

I am writing to you about the contribution requests to the Association referring to the annual planning of Trentino Club activities for 2013.

Concerning this, I am informing you that Trentini nel Mondo received contribution requests from 64 Trentino Clubs which proposed more than 250 initiatives for a total required amount of about 440.000,00€.

In spite of the economic difficulties of this last period the Association maintained the same budget of 2012, succeeding in supporting the activities of 42 Trentino Clubs. Unfortunately your request can not be granted with the fund available in this moment.

Possible further resources which will be available, will be distributed according to the usual criteria.

We suggest you to start as soon as possible to prepare the annual planning for 2014 activities. Deadline for delivery of 2014 annual planning is September 30<sup>th</sup> 2013.

Best regards and good work!

Il Direttore  
Anna Lanfranchi
